92 POINTS

"Saturated deep ruby to the rim. Knockout nose combines blackcurrant, violet and lic rice pastille. Sweet and seamless, with terrific intensity and a brisk, high-pitched character to the cassis, violet and licorice flavors. Harmonious acidity gives lift and definition to the mid-palate.

For all its immediate appeal, this dense, sweet, impressively concentrated malbec needs time in bottle to soften. Finishes very long and classically dry, with the energy and structure to support a graceful evolution in bottle." **92**
