ALTOS
LAS HORMIGAS

The wine has the bright red fruit and unnoticeable oak profile of the wines from Altos las Hormigas. It is very fresh and shiny in a vintage like 2013. There are raspberries, wild strawberries and red currants, with subtle spices and a medium-bodied palate with very fine tannins and great acidity that makes it really easy to drink and pleasant. Great Malbec at a very attractive price. — Luis Gutierrez, ERobertParker.com
