### 2010 Altos Las Hormigas Malbec Terroir

14.4% Uco Valley, Drink 2012-2017

Alberto Antonini draws on different fruit sources in the Uco Valley to achieve the balance he's after in this wine. A third of the wine is unoaked, and the result is a subtle Malbec, rather than a fruit bomb, showing welcome minerality, subtle oak, cherry and blackberry fruit and appealing length and complexity.
